2by2 Drawings

2by2 drawings are held seven days a week. Drawings are conducted by the Multi-State Lottery Association.

Official Draw Results

Official draw results are posted to Powerball.com around 9:45 p.m. CT.

Grand Prize

2by2's Grand Prize is always \$22,000. Plus, purchase a 2by2 multi-draw ticket for each day of the week (one or more plays for seven consecutive draws or increments of 7 draws: 7, 14, 21, etc.) and your ticket qualifies for the 2by2 Tuesday feature in which all prizes won on Tuesday automatically double in value. All prizes are paid in one lump sum.

Where to Play

2by2 is available to play in Kansas, Nebraska and North Dakota.

Press contacts for the participating lotteries can be found in the media center of Powerball.com.

How to Play

Players pick two red numbers between 1 and 26, and two white numbers between 1 and 26.

Each play costs \$1.

Players win a prize by matching one of the 8 ways to win.
